HOW ARE OUR PARENTS DOING?

Québec parents expressed their opinions about parenting as part of the Perspectives parents initiative.

Who are these parents?

FATHERS

MOTHERS

with at least one child aged

of parents report having all the necessary skills for being a good parent

believe that they know best what their children need

believe that they set a good example for future parents or new parents

BEAR IN MIND,

however, that it isn't always easy being a parent!

of parents report never or rarely getting support from family and friends when they can no longer cope

Nearly half

state that all too often, they feel rushed when carrying out their tasks

report being under self-imposed pressure in order to take good care of their children

BEING SUPPORTIVE OF PARENTS CONTRIBUTES TO THE DEVELOPMENT OF OUR YOUNG CHILDREN
